Mayor's Corner

Mayor Mary M. Dennis

Dear Residents,

It's budget time! What a perfect opportunity to highlight our Finance team. So much work goes into preparing the city's budget, and two staff members play an important role in the budget's preparation along with receiving and compiling budget request from all city departments, not to mention preparing the budget calendar.

Leroy Kowalik, Director of Finance, began his career with the City on January 2, 2008. Prior to coming to Live Oak, Leroy spent just over 19 years with the San Antonio River Authority (SARA). Upon graduating from Texas State University in San Marcos in 1987, Leroy began his full-time career with the SARA in 1988. He worked his way to the management position of Controller in 2002 and continued in that position until he started at Live Oak. His entire professional career is in governmental finance and accounting. Leroy currently manages the Finance Department, and, the Technology Department. Although he is very dedicated to his work, it does not keep him from enjoying time with his beautiful family. He has been married to Donna since 1992 and they have two wonderful daughters, Heather and Hailey. Leroy and Donna enjoy frequent weekend trips to Rockport, Texas, and taking annual vacations around the country. This time of the year, Leroy is very busy with the budget process and preparation. Council and I appreciate the efforts of Leroy and his capable staff.

He has been married to Donna since 1992 and they have two wonderful daughters, Heather and Hailey. Leroy and Donna enjoy frequent weekend trips to Rockport, Texas, and taking annual vacations around the country. This time of the year, Leroy is very busy with the budget process and preparation. Council and I appreciate the efforts of Leroy and his capable staff.

Sasha Ricks, Accounting and Human Resources Manager (HR), began her career with the City on March 4, 2020. She brought over 21 years of experience in the accounting and finance field. Most of her background was in the oil and gas industry and manufacturing. She has been in lead positions as she worked her way up the corporate ladder with a passion to learn. Sasha has worked as a Controller and HR Director for over 10 years of her 21 year career. She has been married to her loving husband George for 22 blissful years. They share a wonderful son George Jr., age 17. As a family, they enjoy traveling, camping, swimming, and just being outdoors with their fur-babies, which are Dachshunds and a Weimaraner. Pets are a huge part of the family. Sasha has grasped the City policies and procedures and has implemented the Intranet system for City employees to easily access forms and insurance information. She was instrumental in setting-up the pay-by-phone system for customers to pay their utility payments. This system is perfect for our customers who don't have access to the internet. Sasha is very eager and excited to jump in, learn, and grow with the City. We are so proud to have her as part of the TEAM.

“Strength in Community”

“Strength in Community” is not just our City motto. It’s our way of life. After what the past year has thrown at us, these words have never meant more to us as we begin the Fiscal Year 2021/2022 budget cycle. There were many unknowns with the pandemic and economy during last year’s budget process. Staff and City Council kept the current budget conservative in nature to ensure a successful year. We are very proud to announce the City is fairing very well in today’s economic times. Two major reasons for our success are our geographical location and conservative approach to our budgeting process.

You may ask “what does the next year have in store for us?” The budget process for FY 2021/2022 is well underway. Staff is doing a tremendous job analyzing our revenues to determine what our projections will be next year. Department heads and staff are also doing a great job looking at their respected departments to recommend appropriate allocations for the services and programs they manage. The Council and I will be working tirelessly to address real problems with sensible solutions.

The current fiscal year’s revenues are shaping up to be at pre-COVID levels. Revenues for sales taxes are coming in strong which is a great indication of how Live Oak’s economy is doing. Other revenue streams have rebounded very well. Taxes are the biggest revenue stream for the City. Sales taxes are not only the largest tax revenue, they are our overall largest revenue. This puts Live Oak in a positive situation with its citizens because it also allows City Council to keep the property tax rate at a reasonable level. But sales taxes are a volatile revenue stream because they mirror the economic environment. Because of this, sales taxes are always a key revenue that staff keeps a watchful eye on and continually monitors.

As the budget process continues this year, City Council and I hope you will join us during public meetings where the upcoming budget will be discussed. This is a great way to better understand the budget process and to hear presentations from each city department. These meetings are sometimes part of the normal City Council meetings or a separate budget workshop before or after a City Council meeting. As the budget meetings are set, the information will be posted on our website.

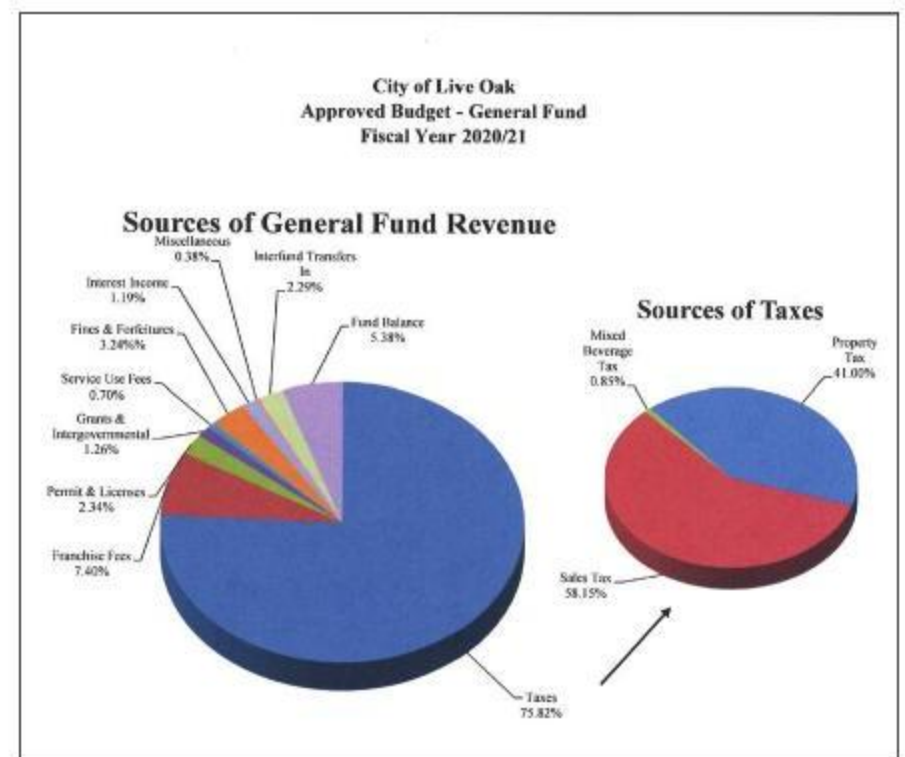

This graphs help illustrate the City’s various General Fund revenue streams:

Finally, during the May 11th City Council regular meeting, the two returning incumbents (Mendell Morgan, Place 1, and Aaron Dahl, Place 4) along with the newly elected Councilwoman Dr. Erin Perez, Place 3, were officially sworn in by the Honorable Judge Edmond Phillips. The ceremony also included a farewell to outgoing Councilman Ramon Norris, Jr., with a plaque presentation. I am joined by City Council in thanking Mr. Norris for his service to the Live Oak community and wish him well with his new endeavors.

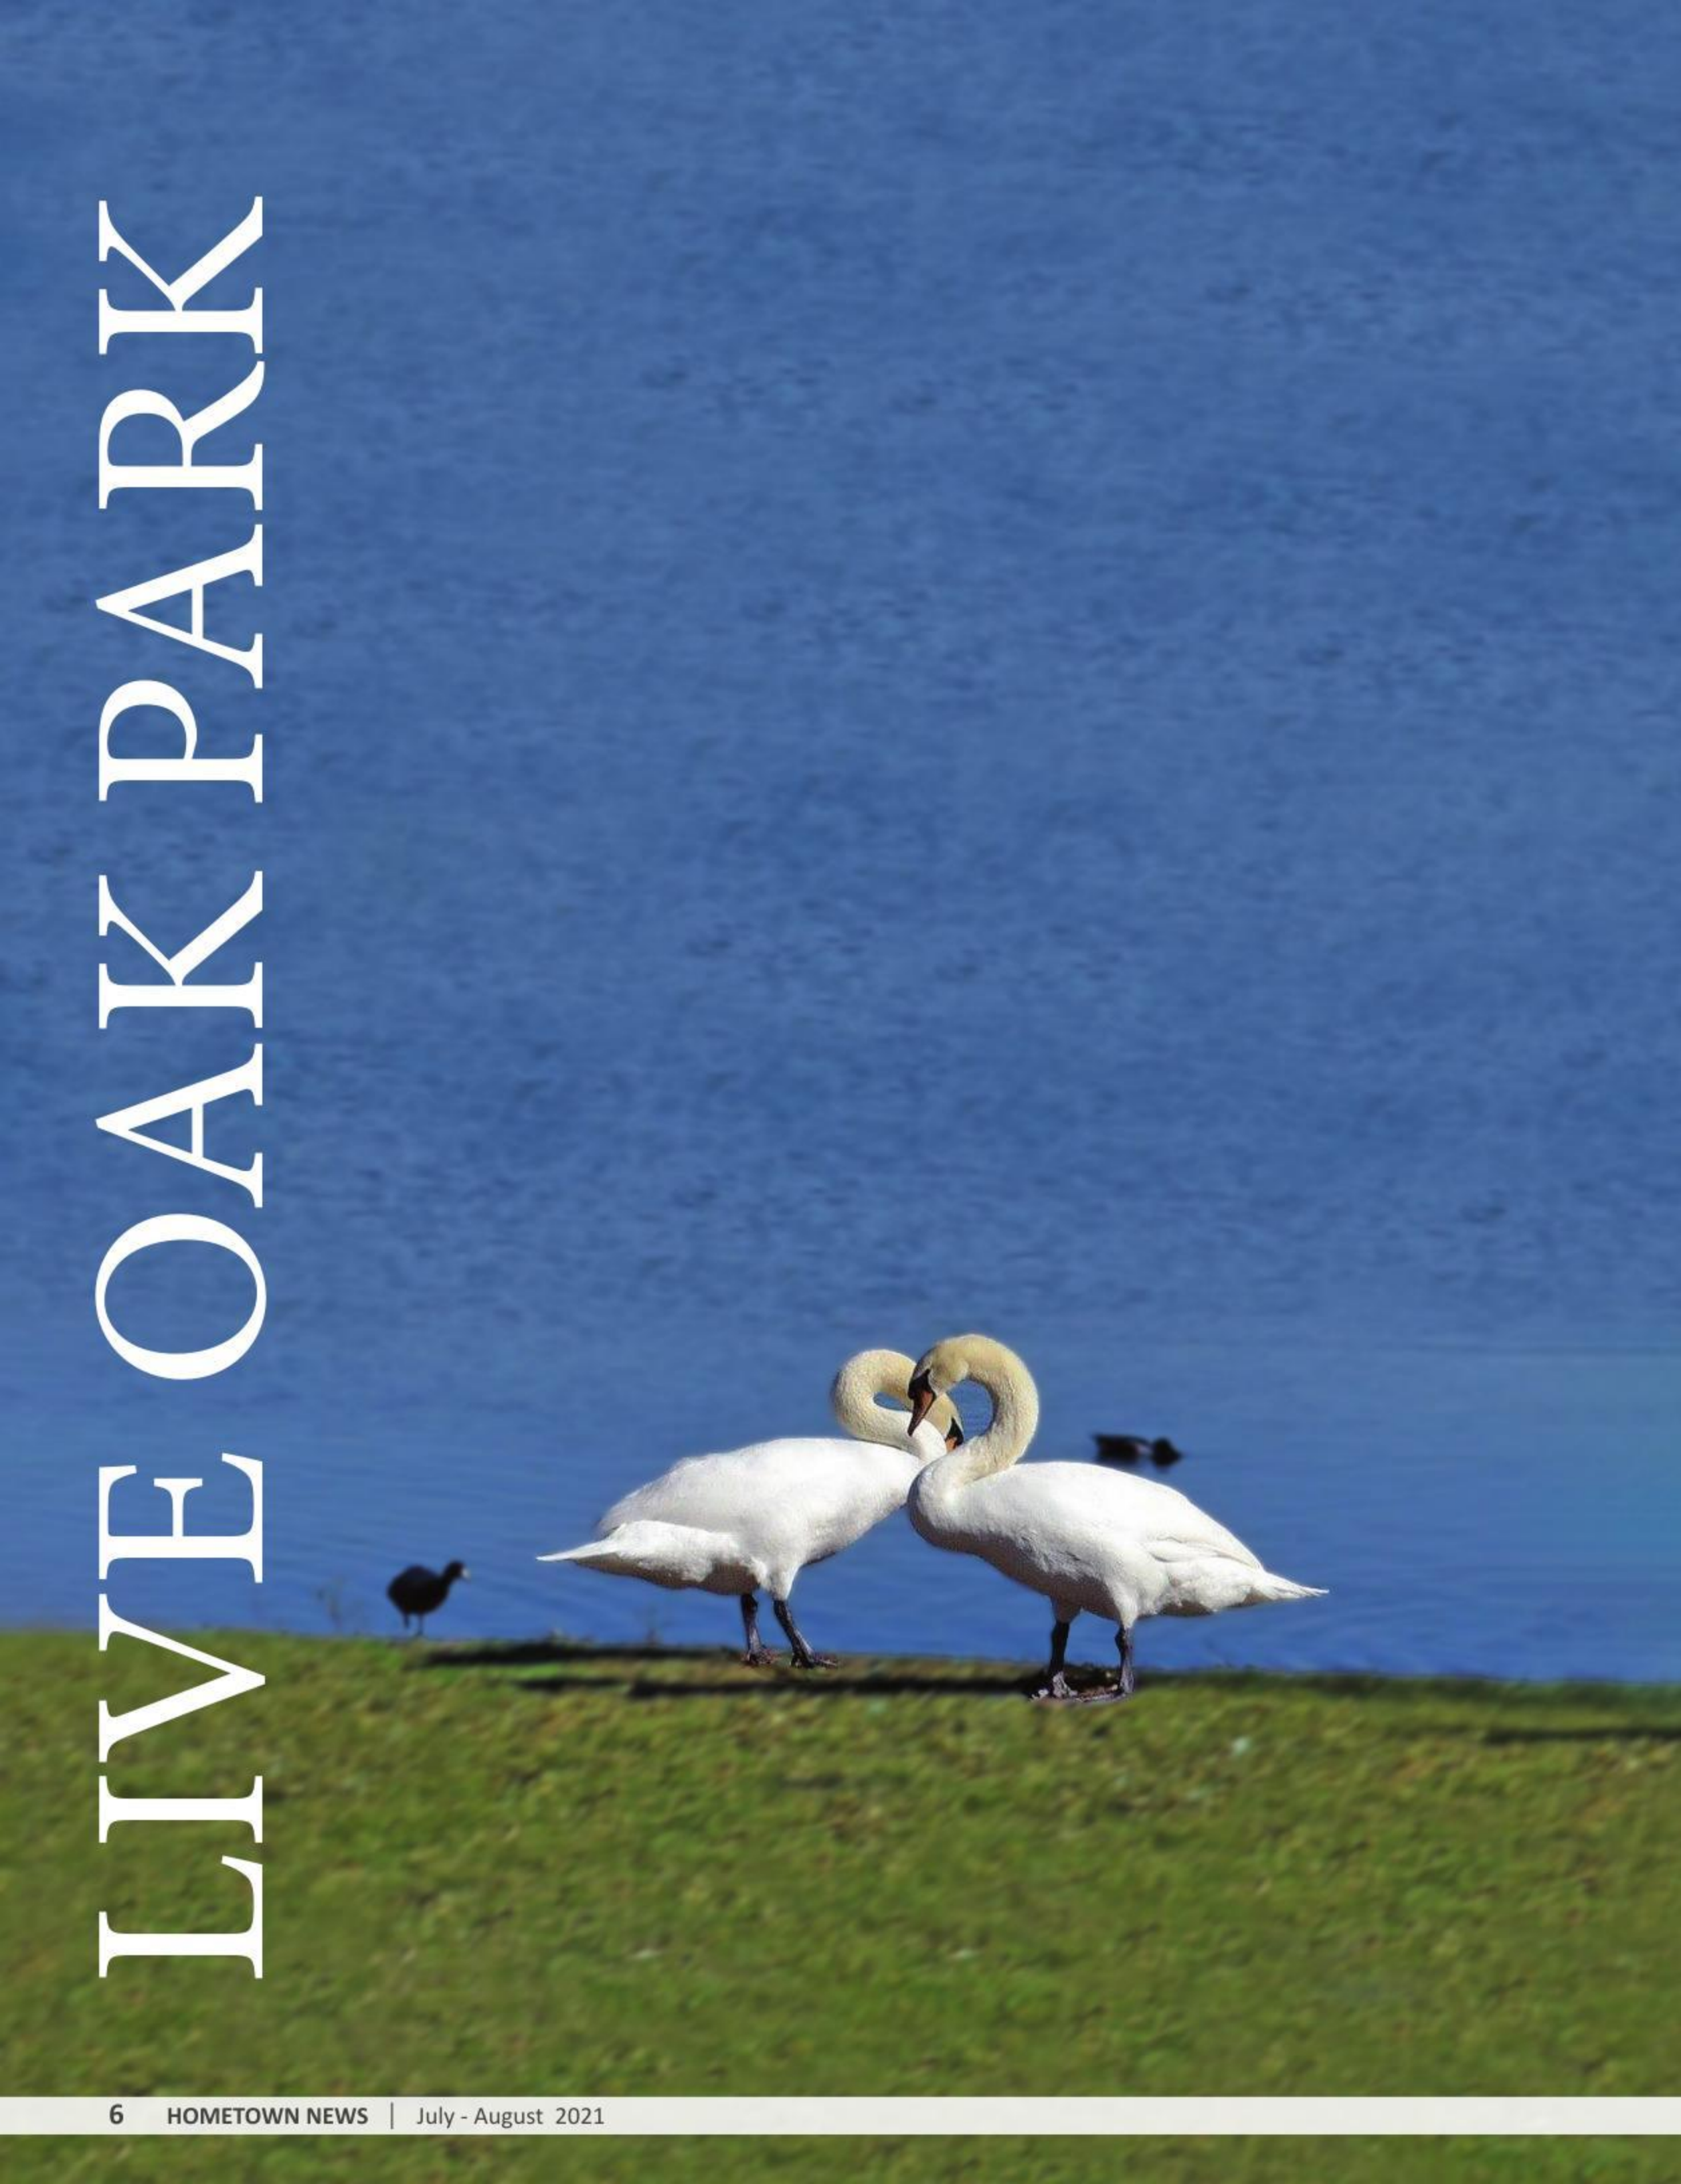

As your Mayor, I am always available to receive your questions or comments at 210-792-7168.

Remember, the best is yet to come!

Community Shred Day Results

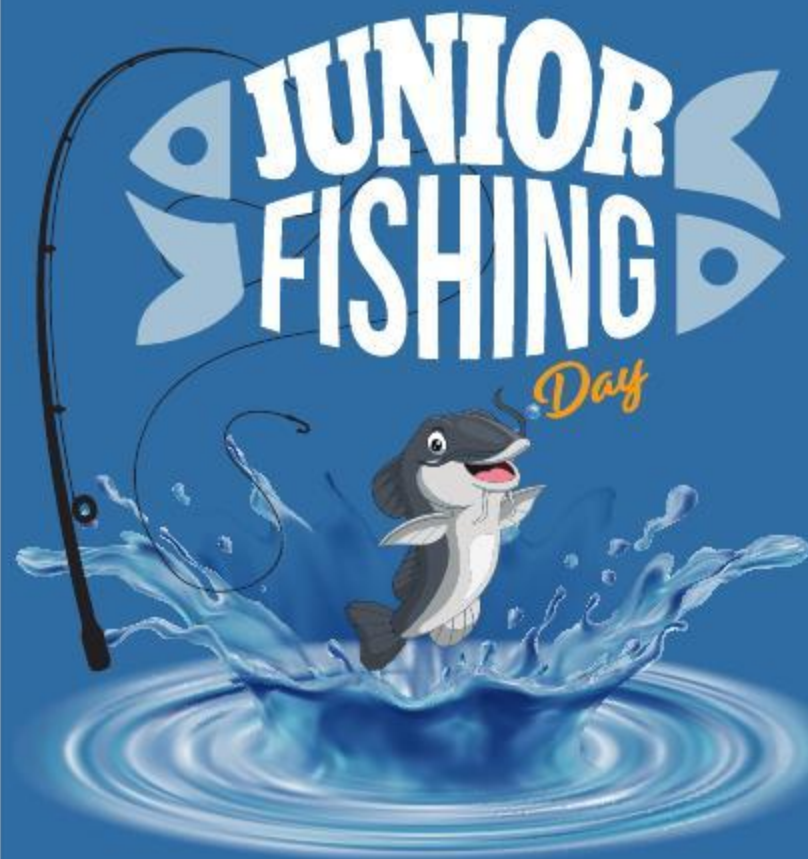

Folks were lined up for the Community Shred Day event on Saturday, May 1st. With the partnership from Randolph Brooks Federal Credit Union, the City was able to shred 26,950 pounds, saved 229 trees, 27 barrels of oil, and 94,325 gallons of water. The City also prevented 40 cubic yards of trash ending up in our local landfills. This shred day has brought us to an accumulative total of 279,786 pounds since Live Oak started this program. A big thank you also goes out to Captain Johnson and the crew from B-Shift of the Live Oak Fire Department for their assistance in the heavy lifting. Thank you all for participating and mark your calendars for the next Community Shred Day event scheduled for Saturday, November 6, 2021.

Thank You RBFCU

A big thanks to members of LOCAP, Sgt. Billy Feldtmose, Officer Mark Perez, Property Technician Joe Ortega, and the DEA for a very successful DEA Drug Take Back campaign!

Great job everyone!

Commission & Board Members Recognized

On May 25th, Mayor Mary Dennis, City Council and staff honored former members of Planning & Zoning Commission, Board of Adjustment and the Economic Development Corporation for their dedicated years of service to the Live Oak community.

A huge thanks to Planning & Zoning Commissioner Frank "John" Glowacz, Economic Development Corporation Director Rachel Clark, and Board of Adjustment Vice President Margaret Zucco. You were a crucial part of Live Oak's development and economic successes over the years.

Thank you and job well done!

Wing Commander Program

One Team, One Mission

The Honorary Wing Commander program allows community leaders to gain awareness of our military mission and lets military commanders and their units learn more about the community in which they live.

JBSA believes that actively integrating community leaders into the military's family, builds strong relationships vital to the success of a great partnership with JBSA and the local community.

Honorary Commanders have an opportunity to participate in several special events during a two-year term and a chance to interact with our amazing service members. Civic Leaders are chosen from diverse groups based on their standing in the surrounding community. Assistant City Manager Michael Hornes is paired with Command Chief Master Sergeant Wendell J. Snider of the 502d Air Base Wing and Joint Base San Antonio. Chief Snider spent 4 years in the Marines, before joining the Air Force in 2000 where he has served, ever since.

"It is an honor to have been asked and I look forward to many great discussions with Chief Snider over the next two years."

Salute to our Hometown Heroes

OUR PARK AND RECREATION STORY!

Live Oak's park and recreation month
july
2021

What a year it has been...the City of Live Oak has faced much adversity through the COVID crisis, and has once again shown how strong this small town is. We take this moment in time to recognize the heart of those who live and work here, the courage and commitment they have to this community and we honor all surrounding hometown heroes.

On October 16th at 10:00 a.m., we will honor our Hometown Heroes with a community parade. We salute our local front-line healthcare workers who showed extreme bravery while facing the unknown. The emergency responders that were first on the scene when you or your family needed them. The dedicated teachers who had merely days to learn how to teach outside the walls of a classroom and had to say goodbye to their students over computer screens. We recognize those in the grocery store that did not have an option to work online but worked twice as hard as before to provide necessities for your family. The employees that continued to show up every day to make sure you had water, electricity and garbage service. To all the Hometown Heroes and to all our great citizens that had to adapt during this difficult time **WE SALUTE YOU.**

If you are interested in being a part of this celebration, please contact Courtney Weese at 653-9140 ext. 2235 or cweese@liveoaktx.net. We welcome any and all to join us for this one of a kind event!

It's Summertime!!!

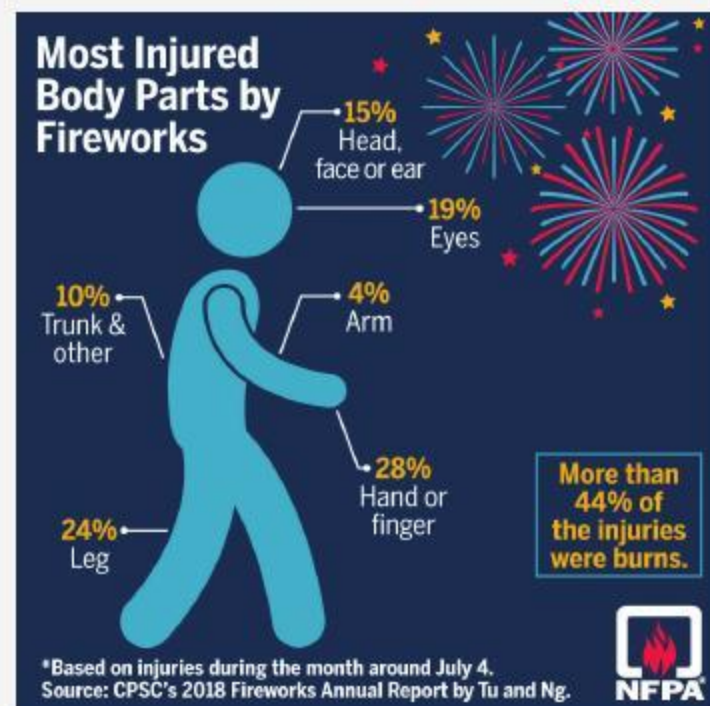

Time to clean the grill and start cooking again. But remember to be safe about grilling. Firefighters respond to an annual average of 8,900 homes involving grills and barbecues. Remember to follow these safety tips.

- Propane and charcoal BBQ grills should only be used outdoors.
- The grill should be placed well away from home, deck railing, and out from under eaves and overhanging branches.
- Keep children and pets at least 3 feet away from the grill.
- Never leave your grill unattended.
- Always make sure your gas grill lid is open before lighting it.
- For more, please visit <https://www.nfpa.org/Public-Education/Fire-causes-and-risks/Seasonal-fire-causes/Grilling>

Live Oak would like to remind everyone of the **City Ordinance regarding fireworks.**

STOP THE POP! Chapter 8. Article III. Sec 8-43 Prohibited.

It shall be unlawful for any person to manufacture, assemble, store, transport, receive, keep, sell, offer, or have in his possession with intent to sell, use, discharge, cause to be discharged, ignite, detonate, fire or otherwise set in action any fireworks of any description. ***Leave the fireworks to the professionals, and visit a safe professional fire work show.***

RBFCU Voted “Best Credit Union”

2021 YourSA Readers’ Choice Awards

San Antonio Express-

News readers also select RBFCU among tops in mortgage lending

By Salvador Guerrero

LIVE OAK, Texas (April 2, 2021) — Readers of the San Antonio Express-News have named Randolph-Brooks Federal Credit Union as the best credit union in the recent YOUR SA Readers’ Choice Awards. Additionally, the Express-News listed RBFCU as one of the top mortgage lenders, and RBFCU’s partner, Kuper Sotheby’s International Realty, was named a top real estate company. The Express-News listed these honors in “SA’s Best Places for Professional Services and Finances.”

“The San Antonio area is our home, so this means a lot to us,” RBFCU President and CEO Christopher O’Connor said. “Though we have taken what started in San Antonio and expanded our services to many more locations in Texas, the reception we receive from our San Antonio-area members makes us feel that we are doing the right thing.

“It’s rewarding to hear that people consider RBFCU and our partner Kuper Sotheby’s International Realty as go-to choices when they are making important financial decisions in their lives. We want to be where our members need us.” Since 2017, RBFCU has been recognized as “best” or “favorite” by readers of community newspapers in Allen, Boerne, Dripping Springs, Gonzales, Lockhart, McKinney, New Braunfels, San Marcos and Seguin.

About Randolph-Brooks Federal Credit Union Established in 1952, Randolph-Brooks Federal Credit Union is a full-service financial cooperative whose mission is to improve members’ economic well-being and quality of life. With assets exceeding \$13 billion, RBFCU serves more than 950,000 members at 61 branch locations throughout Texas.

11th Annual Business Appreciation Luncheon

The Live Oak EDC and City Officials invites the entire Live Oak business community to join them in this year's annual Business Appreciation Luncheon on Wednesday, July 14th from 11:30 a.m. to 1:00 p.m. located at the Hilton Garden Inn & Live Oak Conference Center. Guest will be treated to a complimentary lunch, a great speaker Tom Long with San Antonio Economic Development Foundation, and an opportunity to network with other Live Oak businesses.

Special business anniversaries will be announced and sponsorships will be awarded during the event. Bring your business cards to share with others and take the opportunity to sign up for future city events your organization may be interested in.

If you did not receive an invitation or would like to RSVP, please contact Donna Lowder at 210-653-9140 ext. 2219, or email her at dlowder@liveoaktx.net. We look forward to seeing you this year and celebrating our Ten plus One Anniversary! Social distancing will be observed and masks will be required.

Personal Safety Awareness

“If you see aggressive drivers or are near them, back away and slow down. Create distance. Do not become aggressive or escalate the problem with the other driver.”

Aggressive driving is becoming more prevalent in our society. It often leads to frustration, yelling, hand gestures, and even escalation to physical violence and death. People often lash out in instances where they somehow feel they were wronged by another driver. There are people in our society who just do not care about other people. Wherever they are going is the only thing of importance to them.

Most instances that escalate into road rage are very minor. Examples may include: moving into another lane, cutting someone off or slowing them down; taking a parking space someone believes is theirs; or not waiting your turn at a four-way stop. These are all very minor things and most are unintentional. The person who does these things is often unaware of what he or she has done or realizes it after the fact. Whatever the reason, escalation to anger and violence is not the answer. There are many reasons people lash out in anger. I am sure psychiatrists could list many mental disorders that cause the problem. The cause could simply be some people are extremely rude and were never taught better as a child.

As police officers, we are not here to label a disorder or judge a person's upbringing. We are here to keep you safe. Patience and knowledge are the key to safe driving. I personally have never driven anywhere that was worth risking my life or the life of another. If you see aggressive drivers or are near them, back away and slow down. Create distance. Do not become aggressive or escalate the problem with the other driver. If you see dangerous or aggressive drivers, report them as soon as possible and when it is safe to do so. Provide a description of the vehicle, its license plate, the driver, if possible, what he or she was doing and the location.

Remember, if you feel someone has cut you off, followed too closely, or taken your parking place, do not get angry. Remain clam, keep your distance, and continue your travel. Your safety and the safety of others in your vehicle is important. There is nothing happening on the roadways that is worth your life.

- Lieutenant Matt Malone

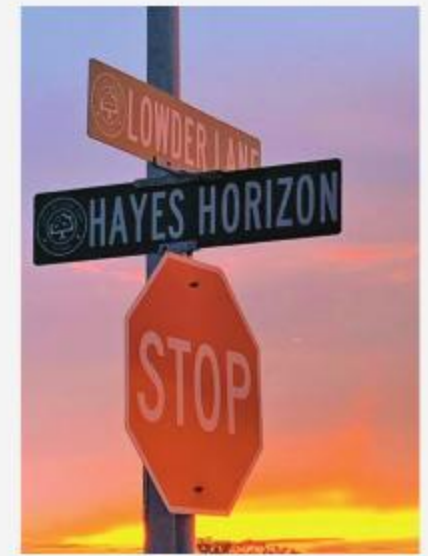

Coffee with COPS is Back!

We are proud to announce the return of Coffee with Cops beginning on July 14th from 8:30a-10a at the beautiful Hilton Garden Inn. This open door interaction and communication with our Live Oak police officers is our way of building relationships, one cup of coffee at a time. Come join us!

Piece of History

The City of Live Oak is in the process of installing new street signs. The old street signs are available for purchase of \$5 per sign. Please give Cathi a call, 210-653-9140, ext. 2234 to purchase your street sign today!

MONTHLY Brush Service

Waste Management offers a monthly curbside brush collection service for residents that trim their own trees. If you plan to use this service, please carefully follow the guidelines listed below.

KNOW YOUR ZONE:

Live Oak is divided into two sections for brush collection **GOLD** and **GREEN**.
Collection of the **GOLD** area will begin on the first Thursday of the month. This area begins at Judson Road and IH 35 and includes Retama Hollow, Brentwood Oaks, Bridlewood and Lookout Road. It also includes the original Live Oak North of Leafy Hollow.
Collection of the **GREEN** area will begin on the third Thursday of the month. This area includes all of Woodcrest and the original Live Oak South of and including Leafy Hollow.

Waste Management will pass through each street only once, all brush must be placed curbside prior to the first day of scheduled pickup. The tree and shrub trimmings must be less than or equal to 12 inches (12") in diameter and the pile may not exceed 12 feet (12') in length, 5 feet (5') in height and 5 feet (5') in width. As a reminder, Waste Management is not responsible for the collections of work completed by contractors. Tree removal and extensive tree trimming is the responsibility of the homeowner. For additional questions, please call Waste Management Customer Service at 800-800-5804.

- Brush must be out prior to the pickup day.
- Do not place your brush out more than a few days before your collection day.
- Limit the size of your brush pile:
The tree and shrub trimmings must be less than or equal to maximum of (12") twelve inches in diameter and the pile shall not exceed a maximum of (12') twelve feet in length, (5') five feet in height, and (5') five feet in width. Brush piles larger than the maximum size will not be picked up.
- Place your brush pile on grass between the curb and sidewalk. Do not cover your water meter.
- Do not place brush pile under power lines or low trees. The grabber truck needs 16' clearance.
- Do not park any vehicles near the brush pile.
- The brush collection service is not available for trees trimmed by a tree service, contractor, or yard laborer.
- Seal all tree wounds within 30 minutes of pruning or cutting.

In addition to curbside brush collection Waste Management will collect brush that is cut and bundled on your second pick up day of the week.

Bundles cannot exceed (4') four feet in length and (35lbs) thirty-five pounds in weight.

Permitting

Around this time of year, many Live Oak citizens inquire about sheds and the requirements for a permit. We have laid out the permitting requirements below for sheds placed on private property.

If you would like to place a shed on your property WITHOUT a permit, all of the following must apply:

- (a) The shed is less than or equal to 120 total square feet, and;
- (b) Will not be placed on a poured concrete foundation; and,
- (c) No additional utilities, (e.g. HVAC, plumbing, electrical, etc.) that will be added to the shed.

Note: If you would like an alternative foundation to poured concrete and without having to pull a permit, concrete pavers or blocks may be used as a base.

If you would like to place a shed on your property that is outside the limits of the above requirements, you will need to pull a permit. If any of the following apply to your situation, a PERMIT WILL BE REQUIRED:

- (a) The shed is over 120 square feet, and/or;
- (b) You are going to be pouring a concrete foundation for the shed; and/or
- (c) You will be adding utilities (e.g. HVAC, plumbing, electrical, etc.) to the shed.

Additionally, all sheds (with or without a permit) CANNOT: (1) be occupied, (2) be placed within five feet of the home or a fence, (3) have any electrical extension cords running to it, or (4) cannot have square footage exceeding both: one third the square footage of the backyard and one half the square footage of the home (including all existing sheds and structures on the property). Permits for a shed over 120 sq feet are priced at \$50 (base fee) + \$0.50/sq ft. Permits for a poured concrete foundation are priced at a flat fee of \$150. Utility permits, such as HVAC, plumbing, and electrical are priced at a flat fee of \$60. All of the above permits require submitted and approved plans.

If you have any additional questions or would like to send your shed idea through us to confirm permitting, please call us at (210) 653-9140 ext. 2244. We are open from 8 a.m. to 5 p.m., Monday through Friday (closed between 12p and 1pm). We look forward to working with you!

Code Corner

Just a little rain can cause trees to grow like crazy! We would like to remind residents of the height clearance requirements for tree limbs hanging over the sidewalk and the street. Limbs hanging over the sidewalk must be cut to MINIMUM clearance of eight (8) feet. This height provides enough space for residents to utilize the sidewalks throughout the City.

Limbs hanging over the street must be cut to a MINIMUM clearance of 13.6 feet. This height provides enough space for emergency vehicles, the City street sweeper, code compliance, delivery trucks, and more to safely drive throughout the City to provide their services. The cutting of limbs over the street needs to occur from the curb to out over the road, for the entire duration of the limb.

Our code compliance trucks have a measurement tool to measure the street clearance, so if you would like us to come by for a quick measurement, we are more than happy to do so. Please call (210) 653-9140, Ext. 2245, if you have any questions or concerns. Your friendly neighborhood Code Compliance team thanks you for your help in keeping the City looking beautiful. Have a safe and productive summer!

Why Shop Live Oak?

By choosing to shop, dine and entertain locally, you and your community benefit in many ways:

- STRENGTHEN ECONOMY
- LOWER TAXES
- BUILDS COMMUNITY
- SUPPORT

Strengthen the Economy and LOWER TAXES – Is there any bigger reason? A half cent of all city sales taxes are applied to buy down our residents and businesses property taxes.

Build Community – City sales taxes funneled to the general fund allow additional police forces, improvements to streets and infrastructure and upkeep of our wonderful park system. In addition, shopping locally allows you to interact with the locals, enjoy the public space surrounding the community and help give a unique identity to the City.

They Support YOU – Many of our local Live Oak businesses support our community and service events that bring joy to so many. Shopping locally is your chance to say “thank you!”

Don't forget to support your local business and Shop Live Oak!
